

WFWP EUME: Capacity Building - How AI can support work and communication

Mitty Tohma
April 6, 2026

Upcoming Online Event

Join Ms. Katerina Minolari for a practical and inspiring session on using AI to enhance everyday work and communication.

Discover how AI can serve as a powerful search tool, support idea generation, assist in drafting reports and speeches, and help with translation and polishing English.

Join via Zoom: us06web.zoom.us/j/6398702386

An accessible introduction for anyone curious about making AI a helpful part of their daily tasks.
