# In Loving Memory of Mrs. Kazue Ueda

On February 24th, our beloved mom, Kazue Ueda, aged 69, departed from this world, leaving an irreplaceable void in our hearts. Her departure followed an unforeseen journey that began with stomach pain, leading to an emergency surgery and, tragically, her passing in the ICU due to complications. The sudden turn of events left us grappling with the reality of losing a cherished soul.

Kazue's indomitable spirit faced the challenges of life head-on. Despite a successful surgery, the unforeseen deterioration of her health unfolded rapidly. Three heart-wrenching cardiac arrests marked the final four hours we shared with her, despite our fervent prayers and desperate pleas for her recovery.

In those agonizing moments, as her heart weakened and organs faltered, we clung to the support of our church community. Communicating with fellow church members, we joined in collective prayer, desperately seeking God's grace for our beloved mother. The unexpected outcome was a devastating blow, catching us unprepared for the magnitude of our loss. The pain of her absence is immeasurable, and our hearts ache with the longing for her comforting presence.

Kazue's life story is one of selfless dedication to family, faith, and community. A faithful member since her university days in Japan, she carried her devotion across oceans, settling in the United States to further her service to the church. As a full-time mother of four, she navigated the challenges with unwavering love. Juggling responsibilities, she re-entered the workforce as a caretaker, all the while maintaining the sanctity of our home and actively participating in church services and events.

Her love for art and music manifested in her joyful pursuits of drawing and playing the piano in her youth. As a pianist and singer in the church's Japanese choir, she enriched the lives of those around her. Kazue's legacy lives on as a testament to her tireless work, gentle spirit, and unspoken strength.

Survived by her husband, Takeshi, and four children — Miho, Yoshiki, Yukiyo, and Marie — we now face the daunting task of covering the unexpected burial expenses and medical bills incurred during her hospital stay. In this trying time, we humbly reach out for support, grateful for every donation and share that eases the burden we bear. Your kindness is a beacon of light during our darkest hours, and we thank you from the depths of our grieving hearts.
