A woman with short dark hair, wearing a patterned jacket over a white top, is speaking into a microphone. She is standing in front of a red backdrop with gold curtains in the background. A small PTV logo is in the top right corner. A semi-transparent text box at the bottom of the image contains the text: "I hope you will become proud first Global Top Gun trainees."

I hope you will become  
proud first Global Top Gun trainees.

☀ Please set deep roots and grow well... You must run, you must fly... I hope that you will stand in the center of the mainstream of CIG and shout out before the world

✿ As I watched your enthusiastic performance, I began to think of the 1960s. At that time, I was seventeen! I was younger than any of you are now. However, because I knew that Heaven had a big dream for me, I said that during my lifetime I would become the only daughter of God, a True Parent, of the True Parents whom humankind has hoped for and waited for, and achieve Heavenly Parent's dream.

# True Mother's speech

*“You are the **heroes** who can **understand the heart of True Parents** and **accomplish the desire that Heavenly Parent, True Parents, and humankind are longing for.**”*

*A true hero overcomes pain and difficulty. A hero cannot be a hero under comfortable circumstances. The same goes for True Parents. True Parents began alone, but all of you have one another.*

***Unite in heart as one with True Parents, Become the best in your respective fields.** That way we can restore all the 7.3 billion people of the world and bring them into the embrace of True Parents.”*
