I. Proclamation of the Foundation Day of Cheon Il Guk (2013)

1. Cheon Il Guk is short for the **Cosmic Nation of Peace and Unity.**

- 1) Cheon Il Guk is a nation that begins from the union of two people.
- 2) Cheon Il Guk is a nation that begins from the union of **Heavenly Parent and True Parents.**
- 3) Cheon Il Guk expands to the family, tribe, nation, world and cosmos.

Through the Foundation Day Registration Blessing:

- We all could be registered as citizens of Cheon Il Guk.
- We return to the position where we have no relation to the fall.
- We stand in the position where True Parents and we, as Heavenly Parent's children can live together in oneness
- True Parents refer to this as "life in the Kingdom of Heaven on earth"

- The purpose of Creation is reached
- The central point of the cosmos, the central point of Heaven and earth appears . (*Pyeong Hwa Shin Gyeong*, 21 [Korean])
- It is where Heavenly Parent feels eternal **stimulating joy**. (Gleaned from *Exposition of the Divine Principle*, Principle of Creation)
- It was not because blessed families fulfilled their responsibilities that this qualification was given
- Blessed families could register into Cheon Il Guk through **the infinite grace** of the True Parents of Heaven, Earth and Humankind
- "If you know the meaning of Foundation Day, you must offer infinite gratitude to Heaven."

True Mother proclaimed the founding year of Cheon Il Guk according to the **Heavenly Will**.

- **True Father** ascended some six months prior to Foundation Day.
- Heavenly Parent directed True Mother to open Cheon Il Guk. (September 3, 2023)
- Mother knew **Heaven's heart** and that the proclamation of Foundation Day could no longer be delayed.
- **True Mother** resolved to accept Heaven's command.
- In accordance with that determination, she proclaimed the **Foundation Day of Cheon Il Guk** and the **founding year of Cheon Il Guk**.

True Mother's 3-year Course of Devotions at True Father's Tomb

True Mother's message to **True Father** on the 3rd anniversary of his Ascension

“Father, from now on, please do not worry. We will fulfill our responsibilities without fail. Therefore, Father, please ascend to the eternal original homeland, *Bon-hyang-won*, and comfort Heavenly Parent, who has been lonely until now. Now you can be free of earthly responsibilities and receive glory forevermore.”

- .“Until now, Supreme Commander Heung Jin nim was at the center of the spirit world. Now Hyo Jin nim has been placed in the position of attending True Parents as the eldest son.”

True Mother proclaimed the era of Hyojeong (filial heart).

- The root of Heavenly Parent is deep heart (shimjeong).
- Without a counterpart God's shimjeong remains an unfulfilled, irresistible urge.
- But when a partner appears, the give and take between subject and object leads to an explosion of heart.
- True Mother explained that the essential keyword to becoming Heavenly Parent's partner in *shimjeong*, the essential keyword to True Mother's entire life is *hyojeong*. Hyojeong is the way to become perfected partners in Shimjeong.

- Having completed this cosmic four-position foundation, True Parents became perfected partners of Heavenly Parent's shimjeong (deep heart).
- And through their give and take there was an explosion of heart and they have fully experienced the deep heart of Heavenly Parent, who finally can stand in the position of parent.

Meaning of the Holy Wine

- Depending on the progress of the providence, different holy wines with different providential meanings were made.
- They all had to be holy wines that could satisfy God and Satan.
- On September 23, 1998, True Father said, “When you drink the holy wine, Satan must open the gates of hell and God must open the gates of heaven. This is because the holy wine is a contract made between God, Satan, and True Parents.”

**Firm Settlement
of
a Heavenly Unified Korea
and
a Heavenly Unified world**

- Heavenly unified Korea must be established centered on Heavenly Parent.
- It is important not only that North and South Korea be reunited, but also that they attend Heavenly Parent.
- The heavenly unified Korea is not human-centered but centered on Heavenly Parent.
- This will only be realized when the citizens attend Heavenly Parent and True Parents as the center.
- This means the heavenly unified Korea must unite as one centering on True Mother, the Only Begotten Daughter.

At this time, if True Father were to come to us and we sincerely asked him to tell us just one thing, what would he say? Surely, he would say, "Become one with Mother! Attend Mother well!"

THANK YOU
