

National Ocean Challenge Program seeks 2nd gen with True Father's spirit of adventure

Clint Woods
April 16, 2013

Dear leaders and friends,

If you received this email, it is probably because you either:

1. Have previous Ocean Challenge or Ocean Church experience
2. Know some 2nd generation Unificationist in your area or congregation that would really benefit from attending NOCP 2013 Kodiak
3. Know someone that might wish to contribute in other ways to this excellent national level training program representing True Father's spirit and vision for boating, fishing, and the Oceanic aspects of life.
4. All of the Above

Thanks for taking a moment and please pass along the attached flyer by email, print it out (or download and print from website) and share at meetings or church, and give those youth that really would love this once in a lifetime quality experience that chance.

Scholarships and space is limited for 2013 so now is the time to register and apply for scholarships.

Take a look at the website, view the videos and photos of previous years and capture why True Father placed so much emphasis and time in Kodiak/The Emerald Island, and the Ocean related realms. <http://www.oceanchallenge.org/> As you well know, if we cannot secure and protect our oceans, we lose the world; and our youth are the ones that can make that happen for future generations if they are educated and trained well in that level of connectivity.

Thanks for your time, consideration, and assistance in reaching all of qualified youth with this unique opportunity.

Sincerely,

Clint Woods
Director
NOCP 2013 Kodiak

National Ocean Challenge Program 2013!

July 21–August 10

KODIAK, ALASKA

Join us for an experience like no other!

“Building a culture of heart; developing character while learning maritime skills in the Alaskan wilderness”
