# John The Baptist Purpose for OPIINC

1. Facilitate the unity and overall representation of all TFs Oceanic efforts, **NEED BIG PICTURE** to capture all and unify, driven from USA as Elder Son Nation's responsibility, welcome and include all international brothers/sisters
2. Originally recommended OPWPU, meaning an EQUAL VOICE among the Providential Organizations & Affiliates
3. Step One is a three year development plan under the name OPIINC and with cooperation and blessing of TM and leadership. (Dr. Kim B of D....but not enough....)
4. Shall have an inreach and an outreach components in line with TM's desire for orgs. Sustainable, 2<sup>nd</sup> Gen, Outreach
5. Shall be a three stage effort to help bring the Oceanic Era, Pacific Rim Era, which is already under way, to fruition. **(Must come under FFWPU/TMother or stuck in stage one....)** cannot fund properly.
6. Needs to be built centering on TPs with Blessed Central Families at the core and unified, then professionals and good conscience people around that.
7. The key to accomplishing this effort is EDUCATION/TRAINING
