

## Montana Yankee Stadium Memorial Workshop weekend

Clint Woods  
June 4, 2016

For anyone interested in experiencing a piece of the actual "Crown of the Continent", Montana is the place to be this summer.

Already, the 2nd generation leadership team, centering upon Youth Pastor Jehremy Felig, executed a fabulous memorial weekend workshop starting on Friday evening and concluding on Monday afternoon.

The weekend was replete with everything from a beautiful mountain lodge retreat/workshop with games, lectures on True Parent's course in America and Tribal Messiah/Vision 20/20, and a church based community BBQ interfaith dinner and sharing with several community faith leaders and their families and friends.

Everything from soup to nuts, including schedules, graphics, meals, and all accouterments were organized, planned and lead by enthusiastic 2nd gen leadership stepping up.

Montana was blessed to have many of our Canadian neighbors and families from up north near Edmonton to make the 22 hour round trip to spend this precious time together in an International spirit of unity. Great effort was made to honor the original intent of the workshop as Jehremy Felig stated:

### MT Family Workshop and Yankee Stadium Celebration - Honoring the Past, Shaping the Future

#### Introduction

The original purpose of this workshop was to bring the content and inspiration from the Las Vegas Leader's Meeting to our community. I want people to leave this workshop, feeling like Vision 2020 is something that they can actualize in their own lives."

That was certainly accomplished, as well as a wonderful commemoration to Yankee Stadium in the spirit of welcoming our True Parents through True Mother visiting Belvedere as pictures can

attest at this link: <https://www.facebook.com/Montana-Family-Church-183223125204303/?fref=photo>

And, if you wish to join us for those special experience only Montana can deliver: check out these upcoming events and; "Welcome to Montana"

Contact Jehremy Felig if you'd like to see about participating in this summer's main events. [jehremy.felig@gmail.com](mailto:jehremy.felig@gmail.com)
