On March 31st, 2025, WFWP Portugal held the International Women's Day celebration to the Lusophone Countries via online by giving WFWP Certificates to those who participated at the 3rd Edition of Teachers for Peace Course and defended a theme.

The event joint more than 80 participants, and was to homage the Women, taking as topic: "Homage of the Women on the occasion of International Women's Day Celebration at the Certificates giving Ceremony on the 3rd Edition of Teachers for Peace Course" The young MC Cintia Agostinho Có, opened the event by welcoming the participants and inviting the coordinator of the Mozambican group, the main one, Rev. Paluku Mulekya, with the opening words of great wisdom, followed by the trainer, Dr. Isabel Costa, who Congratulated the trainees and show her great appreciation to their successful accomplishment.

Mailin Christianes Ferreira a young Brazilian Jurist, Psychology Student and Volunteer at the WFWP UN Viena by WFWP EU and ME Young Professional Committee, spoke on the topic: "Life is Beutiful", and was very welcomed by the participants.

Dr. Marta de Carvalho, President of WFWP Portugal and Coordinator of the Teachers for Peace Course gave her remark words of closing, welcoming all participants and Congratulating all trainees by giving words of appreciation to the trainees' effort, and applying them to practice the teachings they have learned at the course, to become the practice teachers for peace on their families, neighbors and Communities.

She also spoke on the founders' efforts on seeing that values to be spread among all humankind, and ending with a message to the profound meaning of the International Women's Day, emphasizing that for the WFWP Founders as well as to the Organization, they promote the Principle of Complementarity, where women and men have to respect and support each other in every fields of life.

Then the event ended by calling each trainee to receive the Certificate as the way of motivation, and all the participants at the event could hear amazing testimonies and words of appreciation from the trainees, it was really an impactful and amazing event, which was closed with a video music song.

The event joint more than 80 participants from (Europe/Portugal, Norway, Hungary and Spain; South America/Brazil; Africa/Angola, Guinea Bissau, Cape Verde and Mozambique). São Tome and Principe was ready to participate, but just half an hour before they had luck of electricity because of the heavy rain, which did not allow them to participate, but the group Coordinator (Rev. Taty), send a msg explaining and regretting for what happened.

The speakers and trainees invited their friends and relatives to participate in the event, which brought greater impact and excitement We could get amazing feedback, which can be seen at the face of the participants in the photos.

The trainees loved the experience and asked to get another opportunity to learn more, saying that it helped them even to understand themselves and get better relationships with others and special in their families.

It was very good to the: Women and Youth Empowerment Education as well as to the Global Development as well as to spread our activities globally.
