Marta de Carvalho
September 8, 2025

The second Literary Award Celebration was held at the Coliseu dos Recreios in Lisbon, on September 8th, 2025, at 8pm to 1am! Lots of poetry, music, and dance, but also awards, were heard and seen there.

Dr. Marta de Carvalho, President of the Women's Federation for World Peace Portugal was invited to take the stage, having a great privilege on giving the "Solidarity and Human Dimension Award" to the author Rogélia Proença, with great honor.

WFWP Portugal President was accompanied by Ms. Carla Vieira, one member of the Organization, to this noble ceremony, where they could also meet two Ambassadors for Peace, Dr. Isabel Leitao and Dr. Raquel Flores.

The name of Women's Federation for World Peace was heard at the great space of Coliseu dos Recreios in Lisbon, among those more 200 people, not one but twice. FMPM Portugal extends its gratitude to Ms. Paula OZ, the host of the event, for this great honor and privilege on inviting WFWP Portugal to join her. May God bless her.

We would also like to thank and dedicate all those moments to our beloved founders, who have done so much and have taught us so well on serving humanity with patience, dedication, selflessness, and true love. We have hope and will keep going on patiently.
