UPF Inaugural Address

“I declare today before all humanity the founding of a new international organization, the Universal Peace Federation. **Its mission is to renew the existing United Nations and provide a new level of leadership as an “Abel-type” United Nations**, that is, a United Nations whose efforts for peace are offered to Heaven, investing itself ceaselessly in living for the sake of others.”

CONNECTING WITH TRUE PARENTS

Greetings Mother Moon,

As a family man, my participation in this recent International Leadership Conference in Seoul, Korea with so many great minds with great hearts rekindled my hope for a better world. It was heaven on earth. **The crowning moment for this heavenly journey away from home was when I was blessed to offer you this beautiful bouquet of assorted flowers from my heart to your welcoming hands.** Thank you for your continued sacrifice to carry on the legacy of your beloved husband, Father Moon. If God willing, see you next time.

Peace be with you!
