Richard De Sena
February 26, 2016

Dear Ambassadors for Peace and Distinguished Guests,

We are pleased to inform you of a very successful International Leadership Conference in South Korea on February 12-15, 2016 where several Ambassadors, Congressmen and key leaders from United States served as speakers, moderators, hosts and active participants contributing greatly in all five sessions of the conference on the theme: “Addressing the Critical Challenges of our Time: The Role of Governments, Civil Society and Faith-Based Organizations”.

One of the highlights of the conference is the launching of the *“Parliamentarians for World Peace”* held at the Korean National Assembly to increase cooperation and collaboration among parliamentarians around the world to build safe, secure, stable and peaceful societies.

Rev. Richard De Sena, President, UPF USA hosted the Opening Program and Banquet and again presented on the Founder’s Vision the following day. Unfortunately after the conference he contracted severe influenza and still in the process of recuperating from the illness. Hence, it is with deep regret to inform you that the scheduled Introductory Leadership Seminar for tomorrow, February 27th will be rescheduled to March 19th at the same time and location (4 West 43rd St. New York City, NY 10035 from 9AM-1PM)

Please make the necessary adjustments on your schedule as we are very eager to share to you more about the recently concluded conference in Korea and how we can contribute in addressing the critical challenges of our time.
