From May 27 to June 4, 2018, Cheon Il Guk's African Leaders were in Dakar, Senegal to take part in the African Leaders' Assembly.

We had six participants from our country at this important meeting, including the President BEUGRE Richard, National Leader; Ms. ELIAS Lorette, SG of UPF; BROU Jean Marie, President of YSP, elder brother Gabriel ZOZO, SEKA Seka Philbert, President YSP Africa and finally Rev Eugène AHONDJO who was appointed in Dakar as the new President of the North West Africa Region.

The Seminar of Sunday, June 10th, 2018, held from 9am to 4pm at Yopougon Mamie Adjoua National Temple was an opportunity for the National Leader and his collaborators to give a report to the blessed central families.

The primary objective is indeed to allow the brothers and sisters in Côte d'Ivoire to appropriate the new vision of Our True Mother supported by the Providence of the Emerging Nations.

During the seminar blessed families of Côte d'Ivoire have decided to engage on the front line of public relations through UPF. And in this line, the Cote d'Ivoire Head of State, his Excellency Alassane OUATTARA asked to invite True Mother to our country. Moreover, Heavenly Tribal Messiah activities will be strengthened as well, the immediate objective being to raise very quickly the number of Tribal Messiahs of Côte d'Ivoire to 12 as we have 3 right now.

The wind of heavenly fortune from True Parents, which is spreading all over Africa, will not go without bearing fruits in the heavenly Cote d'Ivoire! This is the new determination of the Ivorian members at the end of this Seminar of restitution of the Assembly of Dakar.

Wait and see!!!

May God and the True Parents bless this new impetus in Ivorian Providence!!!
