

Cote d'Ivoire's national and annual convention at African Faith Tabernacle Church

Richard Beugre
March 2019

Back from South Africa where he participated in a summit and a Blessing in March 2019 the prophet Kanga Felix 2 organized a national and annual convention with his community called African Faith Tabernacle Church, a church of which he is the first responsible in Cote d'Ivoire.

For two days, 30 pastors of the African Faith Church were taught by a teacher on Divine Principles revealed by God to Rev. Sun Myung Moon. Pastors appreciated and asked to do a more advanced 7-day seminar.

On the last day, around 1500 people gathered and Mrs. Elias Secretary General of UPF Côte d'Ivoire gave a lecture on five principles of peace. After that we had a ceremony to nominate the African Faith World Prophet David Nkansah 2 and the National Prophet Kanga Felix 2 as the Ambassadors for peace and they have received the certificate from Rev Beugré Richard, president of FFWPU Cote d'Ivoire.

Then Rev. Beugré delivered a message of peace to the audience and handed the FFWPU flag to Prophet KANGA FELIX 2 as a sign of their partnership. It must be said that in return the Prophet presented a picture as present to Rev. Beugré in the name of his entire community.

Later, we will prepare a 7-day seminar for all the participants specially for the pastors from the African Faith Church.
