April 9, 2018

During the time when we are waiting for the improvement plans to be formulated and take effect we refer you to our:

UK Parents' Matching Support Team Couple **Chris and Carol Jubb**  
and our UK Matching Supporter **Keiko Brouard**

for support and a link to over 100 candidates' profiles through their regular team zoom meetings with Matching Supporters all over our region,

and for dates of the next PMC and Blessing Prep. Workshop  
**Chris Jubb - [chrisjubb@tiscali.co.uk](mailto:chrisjubb@tiscali.co.uk)**

**Keiko Brouard - [kampai430@gmail.com](mailto:kampai430@gmail.com)**

Please note that the BFMatch org website is off line. If you are a blessing and matching candidate, or their parents, now is a good time talk in person to your local blessing department staff members. In the United Kingdom, the Parents Matching Support Team Couple are Chris and Carol Jubb, and our UK Matching Supporter is Keiko Brouard.
