Recently I had three phone calls from Pastors we had not heard from for a while; it was ten years for one. Suddenly he wanted to attend our next event! He came and wanted to hear more.

Rev Ron German gave inspiring and spirit-filled lectures on Restoration. Rev Isaac Ayani gave a powerful speech about the Mission of Jesus that profoundly respected Jesus.

Altogether 12 were present, with four perfect and openhearted Pastors. I am very grateful to all those who supported our event by serving refreshments, prayer, technology, and outreach to Pastors.

I am grateful to True Mother as the spirit certainly seems stronger. One Pastor commented that he was very thankful to be present as he felt so much joy, peace, and anointing. And another said that he was there by God's will.

At any one time, there were four people on Facebook. One lady had known Rev Isaac in the past and contacted him afterward. She now wants to study Divine Principle by Zoom as she was so inspired.
