Dear Brothers and Sisters,

We regret to inform you that the married couple rededication ceremony, exemplary marriage celebration, scheduled for May 1st has been postponed to a later date. This decision was made due to insufficient candidate registration, and we sincerely apologize for any inconvenience this may cause. We understand how much you were looking forward to this special occasion, and we appreciate your understanding as we work to ensure that blessing is extended to all.

In place of the ceremony, we highly recommend members to have a watch party to connect with Korea and True Parents. A livestream connection should be made available on www.ipeacetv.com from 8pm to 11pm this Friday.

Further details should be made available by HQ in the coming days. Following the event via live streaming with Korea will provide an opportunity for us to connect and share in the excitement together. Even if we cannot gather in person as planned. We strongly encourage all members to join us for the live stream and participate in this unique experience.

Thank you for your continued support and enthusiasm. Further details regarding the rescheduled ceremony will be provided at a later date. We look forward to listening to your experience after the live streaming with Korea and this moment of connecting with True Parents.

Sincerely,

Rev. Josh. G.
