

Service Morning at The Shade Tree

Sera Hirano
April 26, 2017

The Shade Tree is a women's shelter here in North Las Vegas. WFWP-LV was very pleased to make connections there over the past few months bringing donations of clothes and toys. However, this month of April was our first chance to go there and help out as volunteers.

Although we did not have a lot of time to put the word out and a few sisters were ill at the last moment, on Wednesday (4/26), we made a very good start with this new monthly activity. Thank you Marja, Katherine, Donni and Deverynn for making a great morning of service, really reaching out to the clients there and making their day brighter.

You all really went above and beyond! We served lunch from 10 to 12 and enjoyed a short tour of the facility. To the delight of the wonderful Shade Tree staff ladies, Mrs. Marja Davis won the hoola-hoop contest in the Children's Activity Center! And thanks to our wonderful WFWP members we were able to donate more clothes, handbags and shoes.

The Shade Tree has many places to volunteer. If you would like to know more about helping out at The Shade Tree please contact Mary or Sera, we would love to have a bigger group next month.
