

Mission Weekly Newsletter

And that concludes Mission One! Thank you for reading so diligently the past eight weeks, thank you missionaries for their investment in these 13 communities, and thank you Heavenly Parent and True Parents!

Enjoy these pictures from some of the teams’ last week in their communities.

All junior and senior class missionaries have travelled over the weekend to reunite in Kansas City, Missouri, for a national workshop. With the theme ‘Breakthrough: From Faith to Fulfillment,’ the missionaries will digest their experiences, claim their victories, and prepare for the next portion of the Mission program.

Bay Area Team

...Through this team, I realized that I don’t need to have a vision or some revelation to meet God. He’s right here, in our daily interactions, in our teamwork, in our love, and acts of service.

So when I look at my team, I don’t just see four people, I see living examples of God’s presence. That is something I’m grateful to have realized.

“

...It was a relief seeing that I'm given a lot of trust and love from Heavenly Parent, True Parents, Spirit World and ancestors. That moment was a clear sign that God is real, and proved me wrong that God isn't just a figment of my imagination.

“...Whether you have a positive mindset or a negative attitude, only you can make that change--and the real difference happens when you take the action step towards your goals.”

“

...Life gets so much easier once you learn how to live with God in your day to day life. God doesn't always give you what you want but what you need, and I needed to learn to appreciate God's simple love too.
