### 21-Day Divine Principle Workshop

A 21-day workshop was organized by the witnessing and education department of FFWPU Cameroon in collaboration with the Youth and Students for Peace Cameroon from July 2 to 23rd, 2023, in the National HQ. We had 11 participants who came from around the country.

During this period, they were taught all parts 1 and 2 of Divine Principle, Unification thought, Internal guidance as well as character Education. They carried out Fundraising activities, witnessing, and Teaching practice.

It was a great victory as the participants shared at the end what they learned from this workshop which will accompany them throughout their life of faith.

### 7-Day Divine Principle Workshop

To follow up a 2-day workshop we held earlier in Kumba with 48 participants, we organized a 7-day workshop from July 17 to 23, 2023 with 19 Participants. The participants studied True Parents' teaching, words, and their providential life course during the 7 days.

Among the participants this time, we had 4 people who are potential matching candidates and are getting ready for the higher education program, a 21-day workshop. The other participants gave very positive feedback, and we pray that this education program can be a foundation for unity in this country that has been experiencing crises since 2019.

We thank Heavenly Parent and True Parents for this victory.
