RISE UP 7-Day Prayer Condition

Dear Rise Up Participants,

I hope this email finds you well and inspired as we move forward together to fulfill our Heavenly Parent's vision.

I'm reaching out to invite you to join a prayer condition to support True Mother's health and for us to step up and take responsibility.

It will take place from Tuesday, January 21, to Monday, January 27, (7 days). As one nation united in heart, we will come together each evening for a 3-minute unison prayer at:

- 7 PM EST

- 6 PM CST
- 4 PM PST

During this time, we will focus our prayers on the following points:

1. True Mother's health and well-being.
2. That Christianity can recognize True Mother (OBD) and unite with her in leading the world into one family under God.
3. That we grow our spiritual capacity to hear God's voice and lift spiritual burdens from True Mother. May we become more in tune with what God has placed on her heart, so we can support her and ease her path.

Let us rise together in spirit and unity to offer this condition as a gift of love and devotion. I truly believe our united prayers will make a difference and bring great strength to True Mother.

Please join us and feel free to share this invitation with others who would like to participate.
