We invite all candidates preparing for the 2025 Cosmic Blessing to join the HJ Matching Support program, (previously the Blue Dragon Matching). This program offers a supportive and guided process to explore potential matches. Running in two-week cycles with a total of seven cycles, the program consists of a Prayer

week, where the Matching Committee prays for thoughtful suggestions, followed by a Conversation Week, allowing candidates to engage in 7-day discussions with their matches. Parental and matching supporter involvement is encouraged to provide guidance and support throughout the process. This initiative aims to help participants step out of their comfort zones, build communication skills, and explore meaningful connections in a spiritual environment, ultimately enhancing their chances of finding a spouse. Those interested in the first cycle must have a profile on [Blessing4U](https://www.blessing4u.com) and complete their blessing interview by **Tomorrow, October 26**. (Registration for the second cycle opens October 27).

The man decided to help the butterfly; he took a pair of scissors and snipped off the remaining bit of the chrysalis. The butterfly emerged easily. But it had a swollen body and small, shriveled wings.
