

FFWPU USA: Blessing Ministry Announcements and Events

October 31, 2024

Dear Families,

We're thrilled to introduce the **HJ Matching Support Program** - an initiative designed to support Unificationist singles in their journey to the Blessing. This program will offer Matching Suggestions to those who participate based on the participant's and their family's future goals, vision, and preferences.

With growing interest from singles across various regions, we're committed to making the program accessible to all. Though we have covered as many costs as possible and have already heavily subsidized the program, for many participants, the cost of participation presents a challenge. Your sponsorship would help cover these fees, allowing candidates from financially constrained areas to join and benefit from the program when they need it most. We have so many candidates who have invested so much time and resources into preparing for and receiving the Blessing and are desperate to find their forever partner. They are yearning to inherit the tradition of our True Parents. Please help them make their dream a reality.

We invite you to join us in supporting these future Blessed families by becoming a program sponsor. Your sponsorship will contribute directly to creating new opportunities for candidates worldwide. You can sponsor a specific person, candidates from a specific region, or just the first person who is requesting support. If you're interested, please become a sponsor here: bfm.familyfed.org/blue-dragon-matching-group

Thank you for considering this opportunity to make a meaningful difference.
