We invite all candidates preparing for the 2025 Cosmic Blessing to join the HJ Matching Support program, (previously the Blue Dragon Matching). This program offers a supportive and guided process to explore potential matches.

Running in two-week cycles with a total of seven cycles, the program consists of a Prayer week, where the Matching Committee prays for thoughtful suggestions, followed by a Conversation Week, allowing candidates to engage in 7-day discussions with their matches. Parental and matching supporter involvement is encouraged to provide guidance and support throughout the process.

This initiative aims to help participants step out of their comfort zones, build communication skills, and explore meaningful connections in a spiritual environment, ultimately enhancing their chances of finding a spouse. Those interested in the next cycle must have a profile on Blessing4U and complete their blessing interview before. Join us for the 3rd cycle and register now!

If you are thinking about being a participant in the 2025 Cosmic Blessing Ceremony in Korea, please fill in the interest form linked below, no later than **Wednesday November 27**.
