We invite all candidates preparing for the 2025 Cosmic Blessing to join the HJ Matching Support program, (previously the Blue Dragon Matching). This program offers a supportive and guided process to explore potential matches.

Running in two-week cycles with a total of seven cycles, the program consists of a Prayer week, where the Matching Committee prays for thoughtful suggestions, followed by a Conversation Week, allowing candidates to engage in 7-day discussions with their matches. Parental and matching supporter involvement is encouraged to provide guidance and support throughout the process.

This initiative aims to help participants step out of their comfort zones, build communication skills, and explore meaningful connections in a spiritual environment, ultimately enhancing their chances of finding a spouse. Those interested in the next cycle must have a profile on Blessing4U and complete their blessing interview before. Join us for the 5th cycle and register now!

Strengthen Your Legacy 4 Week Series Webinar

Strengthen Your Legacy--Creating
Greater Connection With Your
Teens & Adult Children

- Gain tools to create safety, connection, empathy, and understanding with your teenagers and adult children
- Improve your communication skills, including learning how to listen in order to understand
- This is a crucial foundation for discussing the Matching & Blessing

**4 week online course-Wednesdays
Jan. 8-29, 2025, 5 pm PT/8 pm ET
Facilitated by Myrna Lapres,
Family & Relationship Coach & West
Region BFM Coordinator**

Did you know that we only hear about 25% of what someone says to us in a conversation? We usually listen to respond with our own ideas instead of listening to understand the other person. In this four--week course, you will gain tools to help you create safety, connection, understanding, and empathy with your teenagers and young adult children. Having this kind of relationship will go along way in supporting your family matching process and beyond. This 4 week series will be held on Wednesday evenings 5 pm PT/8 pm ET, from January 8--29, 2025. During the webinars, various topics will be addressed, you will have opportunities to practice in breakout rooms, and you will gain skills to put into practice with your family. This 4 week series is \$40/individual or couple. Click below to register.

Cheon Il Guk is Now

Benjy challenges us to let go of the concept that we will be happy or we will create

Cheon Il Guk someday in the future. He shares with us words from our True Mother to encourage us to believe that we are building Cheon Il Guk right now.

food for thought

What does love mean?

A group of researchers asked children between the ages of four and eight years old, "What does love mean?" The answers that the children gave were quite

profound and insightful. I have shared some of them below, but I encourage you to ask your children, grandchildren, and even other adults this question this season to remind us of what it is all about.
