Hello family. International matching program.

what's new?

International Matching Program

Interested in an international match? Then this program is for you! After two years of great success in Japan, the Youth Blessing Candidate Introduction Program has come to America. Candidates from all over the world are welcome to join this new program to introduce more candidates to international potential matches. Parents and matching supporters will be able to view all profiles, listed by gender in order of the age of the candidates. If a parent or Matching Supporter sees a potential match, they can reach out to the contact person listed (parent or Matching Supporter).

Candidates:

- Create a 90-second video. Here are guidelines to introduce yourself.
- Update your [Blessing4U](#) profile (you can add this video to your profile on the photo page)
- You must have a Google email address to participate, so create one if you do not already have one
- Send your video link and profile to Mr. Ushimaru (masaharu@gmail.com) using Gmail

Parents and Matching Supporters:

- Watch videos at the link from Mr. Masaharu (will be forwarded when profiles are available)

Notes:

- Profiles are only available for 7 days then will be taken down
- Sensitive and confidential information should not be included

- Meeting each other's families in person
- Discussing important topics such as:
 - Having children
 - Where will you live (who will move to join the other)
 - Who will care for children and who will earn income
 - Honest communication with no hidden issues or secrets
 - Take time to build trust and grow your relationship
- Candidates make the final decision
- Don't rush! There will be another Blessing in 2026 and beyond!
