United in Devotion: Preparing for the 2025 HJ Cosmic Blessing and Entrance Ceremony

Dear Brothers and Sisters,

As we continue our three key campaigns to offer a victorious offering from America for the Entrance Ceremony of the Cheon Won Gung Cheon Il Sanctum, we are deeply aware of the special devotions our True Mother is making for the success of the 2025 HJ Cosmic Blessing and the Entrance Ceremony.

With America actively attending True Mother, we have been working together in heart and action to welcome newly Blessed couples and witness the historic moment of our Heavenly Parent entering the eternal temple. Your dedication—through witnessing, supporting our young people, and contributing to the Cheon Won Gung—is truly inspiring. Thank you!

Life Skills Learned in Kindergarten

Almost forty years ago, American author and minister, Robert Fulghum wrote a collection of short essays about wisdom can be found in the little things, like sharing, playing fair, and putting things back where they belong in *"All I Really Needed to Know I Learned in Kindergarten."* In the first essay, he shares, "Most of what I really need to know about how to live, and what to do, and how to be, I learned in kindergarten. Wisdom was not at the top of the graduate school mountain, but there in the sand box at nursery school."

What People Are Saying

After finishing the Discourse given by Demian Dunkley, I was completely blown away with the revelations that True Mother shared. Everything makes sense to me now and I see light at the end of the tunnel.

— USA member, female

The 10 Discourses constitute what I thought was an absolutely fantastic series. They create for me much more of a deeply, warmly intimate and steadfast connection with True Mother (Holy Mother Han) — and True Father — than ever I had before.

— USA member, male

I have just followed the first three videos and I'm very grateful for the inspiring and refreshing spirit of Demian's presentations.

— European member, female

My wife and I have started watching the new "Discourse on True Mother's

Rev Dunkley, my thanks for your Discourse on True Mother's

Revelations" course that was set up. We are very impressed with the style and content and want to pass our thanks to Rev. Dunkley. This is a great initiative such that my wife and I are now planning to host a local FFWPU members group to study this content together.

— European member,
male

Revelations. I found them very inspiring and much more digestible than the Chamburon lectures we watched from Korea where the content was so dense it was hard to take in. I said at the time that I wished someone would give an overview that focused on the main points. Yours was just what I needed.
