Listening: An Act of Love

by Myrna Lapres

Being heard is so close to
being loved that for the
average person they are
almost indistinguishable.

David W. Augsburger

Did you know that most of us significantly overestimate our listening abilities? Many of us think that we are good listeners but research indicates that the average person only retains around 50% or less of what they hear in a conversation or lecture. One of my favorite quotes is by Dr. David W. Augsburger, "Being heard is so close to being loved that for the average person they are almost indistinguishable."

What is the Blessing?

The **Marriage Blessing Ceremony** is the most sacred and precious event in human history. As **Hak Ja Han Moon**, Holy Mother Han, explains in her memoir:

“The marriage Blessing Ceremony of the Unification Church movement is the most sacred and precious event in human history. Why? It is because the Blessing imparts Heavenly Parent’s spiritual reality and allows a man and a woman to

embody it as one flesh. It is the veritable marriage supper of the Lamb of which the Bible speaks.”

Millions of couples across the world have received the Blessing, creating marriages that transcend nationality, language, and culture—forming one global family under God.
