Safe Conversations Webinar on May 18

Safe Conversations: A Process Changing Relationships Around the World

To register:

Sun. May 18, 2025
10 am PST/1 pm EST/7 pm CET

I will be facilitating a free two hour online Safe Conversation® workshop. Beginning with the belief that relationship skills can be taught, Safe Conversations® helps us to re-train our brains to find safety, connection and belonging. The process teaches us how to slow down and take steps to more deeply understand another person--our spouse, child, friend or co-worker,

The 3-step dialogue process empowers us to:

- Talk without criticism
- Listen without judgment
- And connect beyond differences

Presence is Love

by Myrna Lapres

Children learn more from who we are when we are with them than what we try to teach them. We don't need to be perfect, but showing up and being present means noticing the little things, learning to put down our cell phones, and really listening.
