

2026 BLESSING INFORMATION

KOREA BLESSING
EXPERIENCE

APRIL 30 - MAY 3 , 2026

Dear Community,

We are excited to announce that the 2026 Blessing will take place on May 2 in Korea.

On January 10, 2026, Rev. Doo Seung-yeon, Director-General of the World Mission Headquarters, shared the following regarding preparations for the 2026 Blessing:

“True Mother has once again very clearly expressed her intention to personally officiate at the 2026 Blessing Ceremony. This goes beyond simply confirming the schedule. It is Mother’s solemn providential determination made before Heaven—a declaration of her responsibility for the salvation of humanity. The world’s circumstances change moment by moment,

and at times, uncertainty about what lies ahead may cause us to hesitate. However, one thing is absolutely clear: True Mother’s resolve has not wavered for a moment. Her vision is already fixed firmly on victory in 2026.”

It is indeed True Mother’s sincere intention to officiate the Blessing in person. However, given the current circumstances, it is not possible to guarantee her physical presence at the ceremony. Regardless of this uncertainty, we know with confidence that:

- **The Blessing will happen.**
- **Participation in Korea will be a meaningful offering to Heaven and a powerful support during this time.**

While the full impact of our presence cannot be predicted, showing up allows Heaven to receive and use our offering in whatever way is most needed.

We also want to remember that, historically, the Blessing in Korea has been a profound, multi-day experience that has become part of our tradition and culture. As the Blessing & Family Ministry, we are committed to supporting all participants and guests so they are well prepared, cared for, and able to create meaningful and lasting memories during this special time.

At the same time, we fully understand that special or difficult circumstances may prevent some families from traveling to Korea. In such cases, candidates should communicate their situation with their local pastor, and regions may decide to organize a local Satellite Blessing to support these situations. The Blessing remains the Blessing regardless of where it is received, and every couple deserves to be celebrated at this sacred milestone.

We are really excited to celebrate this moment with you!
