If you've registered AND have an airtable account, it will send you to a page with a blue button that says 'Your Dashboard' click that button to view your dashboard.

If you don't have an airtable account, it will ask you to [create an airtable account](#) first before sending you to your dashboard.

Q: *How do I change/update the information that I submitted in registration?*

>> A: [Click here](#) & follow the step by step instructions on the slides.

Q: *I had an account in the other system (bfmeducation.org/ MAtchnet) do I still need to register on the HJ Blessing Guide? Will everything be carried over?*

>>A: Yes, you will still need to register on the HyoJeong Blessing Guide. However, you won't need to resubmit any documents you've already uploaded on bfmeducation.org/MatchNet. When you register on the HyoJeong Blessing Guide there will be clarifying questions such as: 'Are you already a candidate' (for singles) or "Are you a certified Matching Supporter/Blessing Interviewer" (for volunteers). Based on your answers, the system will know the steps you've already completed. If the system doesn't accurately reflect your status, then send an email to bfmtechsupport@unification.org.

Q: *I have uploaded all the requested documents (Level 2 Blessing Certificate/ Signed BI Interview or the Matching Certificate) over two weeks ago, but I'm still not listed as a candidate in the HJ Blessing Guide. What is causing the delay and what are my next steps?*

>>A: Please send an email to bfmtechsupport@unification.org to let them know about your current status and ask why your candidacy has not yet been approved. Please note that each candidate must renew their candidacy every two years, so you may be asked to update one or more documents. For questions about renewing your documents, you will find the answer later in the FAQ.

Please be in touch with your Blessing Interviewer and Pastor beforehand when you are ready to renew your candidacy status, especially if you are planning to have your commitment ceremony with your match.

Q: *What is the difference between HJ Blessing Guide and Blessing4U? Do I need both?*

A: All North American candidates need to sign up for the HJ Blessing Guide, as it is the official platform used to approve you for the Blessing and track your progress. Even if you're not ready to find a match, registering early helps you begin learning about the Blessing itself and how to prepare for it.

Blessing4U (BCMatching.org) is a tool primarily used for the matching process. It allows you to view and consider other candidates—both locally and internationally—and can be a helpful resource when exploring potential matches. However, it is not required in order to receive the Blessing.

Airtable Questions

Q: I registered but it says I need to create an airtable account, how do I do that?

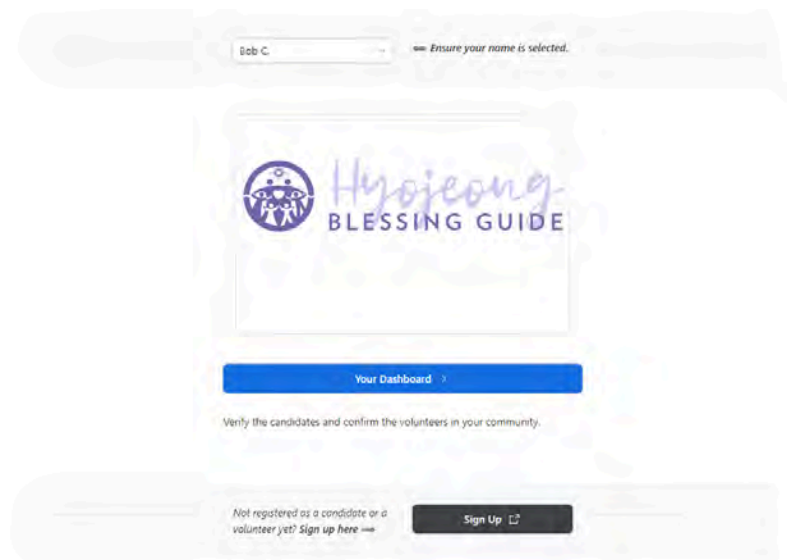

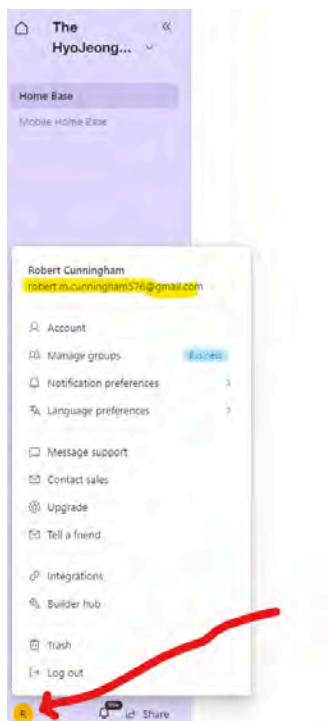

>> A: [Click here](#) & follow the step by step instructions on the slides.

Q: I registered and logged into airtable but why don't I see anything?

>> A: You likely have two different email addresses registered in Airtable. Airtable may have automatically logged you in under a different email address than the one you registered to the Hyojeong Blessing Guide with.

Click the "LOGIN" button off of the bfm.familyfed.org page and then click the "Your Dashboard" button to continue to your dashboard.

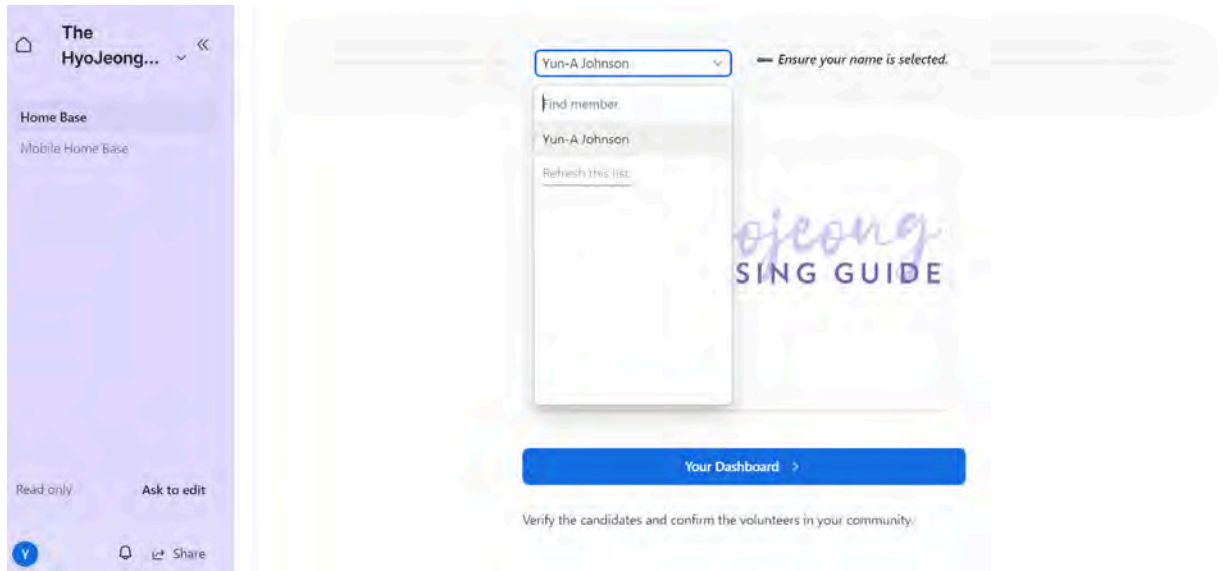

You can check if you are logged into Airtable with a different email by clicking the bottom left button [red arrow] and viewing the email [highlighted yellow].

If another email is shown (than the one you registered with), click the Log out button on that sidebar, and then return to the bfm.familyfed.org page and click the "LOGIN" button again. This will prompt you to login to your Airtable account with the other email address.

Q: Why don't I see the right dashboard? I'm trying to access my dashboard but I keep coming into another dashboard...

>>A: You might have two different email addresses registered in airtable as different users for example a Matching Supporter and Blessing Interviewer. Go to the top left corner to select the name you registered with, your name might be listed two times as different users try selecting each to see which dashboards are visible.

Application System Questions (Dashboard, Roadmap, Confirmations)

Q: *I forgot to bookmark my dashboard page! How do I find it again?*

>>A: There are two ways you can access your dashboard.

- 1) Go to bfm.familyfed.org and click the purple 'LOGIN' button in the top right corner.
- 2) Go to your email and search "Thank you for registering.." to find the welcome email sent after you registered. In that email, there is a link to your dashboard.

Q: *I already completed all my documents in the past, but the Review Team said I need to redo everything. Why is that?*

>>A: We require singles to ensure their Candidacy is at their most updated status and by International Guidelines, it is mandatory that a candidate renews their application **every two years**.

As a reminder here are the mandatory steps to reinstate your candidacy status:

- HJ Blessing Prep (Level 2) Education
- Updating your Blessing Interviewer for any changes and updates
- Complete renewal of health exams
 - **Recommendation:** complete your health exams and request an update meeting with your Blessing Interviewer until you are matched and ready to hold your commitment ceremony.

Q: *My pastor didn't confirm me yet, what do I do?*

>> A: Please check with your pastor if they received an email from the BFM, requesting them to verify your identity.

If they did not receive an email, your pastor has likely not registered in the HyoJeong Blessing Guide yet. Send them this link to register:

<https://bfm.familyfed.org/hj-blessing-guide>

Q: *I selected a new Matching Supporter and/or a new Blessing Interviewer, but my old MS/BI still shows up OR I did not hear back from my newly selected MS/BI. What is going on?*

>> A: Please contact bfmtechsupport@unification.org if your new MS/BI is not showing up in your “My Team” section. If your new MS/BI does show up, but you have not received any email from them please wait at least 48 hours for a response back from them (or after the weekend if you selected them Friday).

As each MS/BI are volunteers, they may have specific days that they are available to check and review any notifications. If after the recommended time has past and you have not heard back from them yet, please refer back to your “My Team” to find their name and contact information.
