PEACE MESSAGE #5

CHEON IL GUK IS THE IDEAL HEAVENLY KINGDOM OF ETERNAL PEACE

Fourth, you are created to spend nine months in the womb, perhaps one hundred years on earth breathing air, and then all eternity in the spirit world. You should understand that, just as proper preparation in the womb is required for a healthy life after birth, you must devote your earthly life to preparing yourself for the next stage of life in the spirit world. Never forget that in every time and place, and no matter what you are doing, your ancestors in the spirit world are with you. Be ever mindful to live in harmony with the spirit world. Communicate in prayer with the heavenly world with sincerity and dedication, so that you may become perfected in your spirit self while you are living on the earth.

Rev. Dr. Sun Myung Moon, June 13, 2006
