Palm Ongd  
July 6, 2019

On June 22 and July 6, 2019, we mobilized workshop and blessing event for 234 couples including one pastor, in the commune of MALUKU in Kinshasa. This blessing ceremony of 234 couples allowed the Atelier le palmier Ongd to proclaim the Mamandi Ikono Dieudonné Family our 5th Victorious Heavenly Tribal Messiah who educated and blessed 430 couples. At the same time we launched the 6th candidate, the Ngiema Mbone Serge Family.

The mobilization continues, and we will hold an Interfaith Blessing for Peace Festival in Maindombe Province by September 2019 with a blessing of 6,000 to 10,000 couples. Our hope is to offer 12 Victorious Heavenly Tribal Messiahs to our Heavenly Parent and True Parents by the year 2020. Wishing to go even beyond that and bless our entire nation.

After the Interfaith Blessing for Peace Festival, 24 participants, whose partners were not present, were also interested in the message of blessing. They promised to also take the holy wine soon. Furthermore, all the couples who received blessing from our True Parents, have promised to respect all the blessing processes.
