In the framework of the Heavenly Tribal Messiah, the “Atelier Le Palmier – Ngod”, organized an interreligious peace blessing festivals with the participation of 17 couples on November 13th 2016 at our headquarters in Kinshasa.

Peace blessing project is an opportunity for all to benefit by the blessing of Heavenly Parent and True Parents. If you wish to see our past news report, see our web site: www.atelierlepalmier.org

We know that our current difficulties are follow-up training and education of all those couples that we already have blessed. Knowing this we will continue to bless and take care of them with our power. The total number of newly blessed couples 126 couples at this time. Our objective is not only to bless them, but to get them to go through all conditions including the three-day ceremony, so that they can become members of Family Federation for World Peace and Unification.

We still have a long way to go, to fulfill 430 couples for each Tribal Messiah. We deeply wish to give 12 successful Heavenly Tribal Messiahs from DR Congo to True Parents and Heavenly Parent by the year 2020.
