Ki Hoon Kim and Michael Balcomb  
November 25, 2014

Dear Brothers and Sisters,

Our Beloved Brother, David Polcyn, ascended to the spirit world on November 15, 2014. He is survived by his wife Hitomi and his daughter Sachie. David loved spending time in nature where he felt closest to our Heavenly Parent. He also loved sharing the love of nature and Heavenly Parent with his family and friends.

Let us join together to support David's family in this important time and pray for his victorious transition to a new and glorious life in the spiritual world.

Following is a biography celebrating David's life by Dr. Mose Durst.

Sincerely,

Dr. Ki Hoon Kim  
Continental Director

Dr. Michael Balcomb

**Victorious Life of David Polcyn**  
**October 11, 1955 - November 15, 2014**

David Polcyn, a faithful brother devoted to God and True Parents, passed to the spirit world on November

15, 2014.

He was the loving husband of his wife Hitomi, with whom he was blessed in 1989 with 1275 couples, and the adoring father of their daughter, Sachie.

David joined the Unification Church in 1978 in Oakland, California. He was an assistant to Dr. Durst at Church headquarters from 1980 - 1989, and on staff for the Global Economic Action Institute for the same period. David was a classic American: intelligent, caring, sacrificial, patriotic, loyal, just, and strong, with a passionate love for his family, his friends, and the Church. David regularly spent time in nature, for it is there where he felt closest to God. He found not only great beauty in the landscape, but also the presence of God's Holy Spirit.

As in the writings of John Muir and Henry Thoreau, books that inspired him, he too found the mystery of the creation in its silent beauty. He delighted in sharing his love of nature with the many friends that were guests in his home.

From 1990 until 2011 David and his family lived in Japan. His purpose was to be a bridge between East and West, and he came to love Japanese culture as much as American culture.

He began a small school and taught English while in Japan. He returned to Sedona where as a child he stayed with his family and relations.
