

FFWPU Nepal: 3-day Divine Principle Workshop at UN College in Dharan

Prakash babu Thapa
March 25, 2024

We organized a 3-day Divine Principle Workshop in Dharan, in the Eastern Part of Nepal on March 23-25, 2024, at UN College. We had 27 participants college students who listened carefully to all the lectures. Mr. Ram Bahadur Limbu, FFWPU Dharan leader, and Mr. Puskar Thapa and Mr. Lok Bahadur Giri gave lectures during the seminar.

Through this 3-day Divine Principle Workshop, participants studied the suffering heart of God (Heavenly Parent), the cause of the human fall and the restoration history of God, and the role of Messiah and True Parents in bringing about the salvation of humanity. Participants showed great attention to the Divine Principle and expressed life-changing experiences during the workshop.

In the Graduation ceremony, certificates were distributed by Special Quest FFWPU - Nepal National Leader Rev. Prakash Babu Thapa and National leader of FFWPU India Rev. Krishna Adhikari. All 27 youth received their graduation certificate.

We believe and can see clearly that the Divine Principle Workshop helps people revive their hearts in many ways. In this workshop, participants were grateful for receiving the new truth given by True Parents through the Divine Principle lectures. They were determined to continue studying the Divine Principle more, practice it in their life, and get involved in FFWPU activities in Dharan. This Divine Principle Workshop was the result of witnessing activities and we are happy to expand and increase our membership in the eastern part of Nepal. We determined to conduct youth activities and witness youth students.
