## Reflection

Mr. Shivaji Khadka and Mrs. Hari Maya Gurung - Senior Blessed Family and host of the 3rd HyoJeong Special Family Service

First of all, we are so much grateful to Heavenly Parent and True Parents given us a precious blessing in our lives. We Thank to our National Leader Rev. Prakash Babu Thapa for giving an opportunity to serve blessed families as a host on 3rd HJ Special Family Service. After a long time, we got an opportunity to meet, greet, and sponsor lunch for all. We got a chance to share our love with Blessed Families, Second Gen, and brothers and sisters through this HyoJeong Special Family service. "Food is Love" our beloved True Father has mentioned it on As a Peace-Loving Global Citizen. My wife was involved in cooking with her friends and served fresh meals. We felt they accepted our love and returned beauty to us. It was a special and unforgettable moment for us. "The family is made from the mother and the world is made from the family." Our beloved True Mother mentioned it in her Memoir, Mother of Peace. Through this, I realized Mother's role is very important in each family. My wife alone raised our two daughters while I was in the USA. I realized that I couldn't appreciate her enough. I also realized that husband and wife shouldn't separate for a long time. This HJ Special Family Service helped us to improve our relationship. Our daughters got an opportunity to perform dance during Service. Audiences were happy while they performed. Our daughters shared their feelings with me, it encouraged them to go forward and made them responsible. And the Kick-off ceremony for the 3rd 40-Day Witnessing Campaign determination ceremony made me feel that Nepal has hope and still has the potential to do witnessing. I believe that if we can unite and move together centering on True Mother then we can bring miracles and surely restore Nepal. Aju!! and thank you very much.

Miss Serena Dangi - Second generation

The 3rd HyoJeong Special Service was held on June 8, 2024, unlike from regular weekly service was a special one where many of us gathered to attend Heavenly Parent and True Parents. The service was full of our great leaders, members, and 2nd generations. We all were guided by our National Leader, Mr. Prakash Babu Thapa regarding the power of devotion and, he encouraged us to do devotion which is a key to growing spiritually. Mr. Shivaji Khadka, one of the Elder Blessed Family of Nepal, and his family hosted this event. They sponsored food and a healthy learning environment for everyone present in the service today. Today's HyoJeong Special Service made me refreshment and blend us as one Heavenly Parent's Holy Community.

At the end of the service, all members were guided about their goals for the upcoming 3-day Divine Principle Seminar of 120 youth participants, being held from July 11-13 under the guidance of our senior and youth leaders. Miss Mina Kumari Chaudhary- a HQ staff (First generation)

First, I want to thank Heavenly Parent and True Parents and leaders who allowed me to share my reflection about the 3rd HyoJeong Special Family Service and Kick Off 3rd 40 Days National Witnessing Campaign. After a long time, I saw many Blessed Families and second-gen with their parents, brothers, and sisters attending jointly HyoJeong Family Service. I am very grateful to all leaders, brothers, and sisters who prepared to conduct this event several days before.

At this unified family service, the Blessed Family and members from far away joined, met each other, and shared their feelings, emotions and which made them closer. Today I realized that devotion is the key to becoming one and growing spiritual. I am inspired by our National Leader Rev. Prakash Babu Thapa who continuously does devotion and always encourages us to do devotion. I also felt that we need to do this type of unified HyoJeong Family worship service from time to time to revive ourselves which also makes us feel we belong to Heavenly Parents' Holy Community. And I also committed myself to do youth witnessing in the coming days.

Thank you very much.
