Reflection

HABONOUAN LOUIS (PCA National Office for Water): "I am very happy to receive this distinction. The people want peace to be a reality in their daily lives and it is a duty to work on that ... "

ABA JOSEPH BENETT (Company Manager): "... I am so convinced that if a lot of people are committed to peace, this one will really be the most shared thing ... Thanks a lot to FPU Côte d'Ivoire, for this distinction that I take as a mission"

JOHN DICK (Village Chief): "... Leading a big modern village like the one under my responsibility is a very difficult mission ... But when you are encouraged by such a distinction, you understand that the work has to be really done for the good -being populations. I say to you THANK YOU
