On September 21 and 22, 2019, together with FFWPU Côte d'Ivoire, we jointly organized a major seminar for some 40 Ambassadors of Peace. After receiving the certificate of Ambassadors for peace, they needed to know more about the teaching of the Founders to better achieve their mission of peace makers.

In two days, the President of the FFWPU Cote d'Ivoire and his Special Advisers and the Secretary General of UPF Cote d'Ivoire gave several Divine Principle lectures. On the last day of the seminar, participants were invited to take part in the blessing of marriage ceremony. Among the participants we had one couple so they participated at the holy wine ceremony. And other participants invited the President of FFWPU to their house to conduct the holy wine ceremony.
