Directions: From the intersection of US 36 and Broadway at the city limits of north Boulder, go north on US 36 five miles to the town of Altona. Turn left onto Lefthand Canyon Drive and go about 0.3 of a mile to the entrance of Sunburst's long driveway on the right. Google maps has the directions to the front door!

Approach to the Sunburst entrance on Lefthand Canyon Drive.

From Altona, first on the right is a 2-story white house.

On the left side of Left Hand Canyon Drive is Streamcrest Drive.

On the right is a one-story pale green house.

As you pass the one-story pale green house you'll see a large pine tree marking the entrance to Sunburst.

Large pine tree and the driveway to Sunburst. Note the heartburst sign on the tree.

Sunburst entrance. Heartburst sign on the pine tree with below it the address 372 (Lefthand Canyon Drive, Boulder, CO 80302). The sign is not very robust and may not last so long.
