Dear Blessed Families, Brothers and Sisters,

Greetings of Peace!

News stories on TV and other media maybe depressing. But we are so lucky because we have our True Parents who allow us to see the positive aspects of life and give us so much hope. Let us keep on praying for peace and goodness to prosper and truly do our part in advancing the work of heaven.

Last week, we celebrated our True Father's 9th Seonghwa Anniversary. It was good to listen to the testimonies of our brother David Rogers and his wife Karen and also of course that of Mrs. Gertrud Koch. It was uplifting and encouraging for me, I hope it was the same for you. The program from Chung Pyung in Korea with our True Mother and the Hyo Jeong performances were good reminders of God, our Heavenly Parent's determination and commitment to restore us humanity and build the Kingdom of Heaven. May our community truly unite with our True Mother and help in realizing Heaven's dream.

Just to remind everyone, in all our in-door gatherings we will require everyone to wear mask to protect ourselves and others against COVID 19. Let us show our care for one another by doing this. We do have a number of members who got the virus, let us keep them in our prayers.

August 28, 2021, Saturday, is Pastor's Summit. We have four expected participants (Rev. Stephen Gituma, E Mandisa Subira, Francis Nero and Mr. William Scwer). We have three guest lecturers from Bellingham, Pastor Neville Labrooy, Isaiah Ryan and Rev. Larry Krishnek. We look forward to a successful event. We will have a live coverage of the event using our Seattle Family Church Facebook page. Join us online from 10:00 AM to 1:00 PM.

Also, work party in Ballard is back. If you are able to, please join S. Detlefsen and Scott Dolfay to continue with the repair inside and outside our church.

For those who are looking for materials to share with their contacts, "Vision for Peace" lecture video series, are available at leadership.familyfed.org.
