Dear Seattle Heavenly Parent's Holy Community, Blessed Central Families, Brothers and Sisters,

Greetings of Peace! Yesterday was a very rainy day, I went out without umbrella neither did I have a hooded jacket so I got so wet. My rubber shoes got so wet that this morning I could not use it. I thought of wearing a rain boots. However, the whole day today it was dry. The sun even showed up and seemed to smile. I guess it was telling me how funny I look wearing a rain boots when there is no rain. That simple thought brighten my day and lighten up my load. Grateful!

Dr. Chung Shik Yong's scheduled visit to Seattle is getting closer. We have about a week left to prepare. I really would like to encourage all of you to submit your family photo so we can include it in the album we are preparing. When I talked to Pastor Nelson last night, he told me that so far there are five families who already submitted their photos. I know I have not submitted mine too but I will send it as soon as I finish writing this letter. Pastor Nelson is helping me in preparing the album so please send your family picture to his email at nelsonsatomi@yahoo.com.

I would like to share with you the schedule of activities during Dr. Yong's visit.
