Heavenly Parent's Holy Community of Seattle, WA Family Federation for World Peace & Unification

Good morning Blessed Families, Brothers and Sisters,

This letter is supposed to go out last night but for some reason it did not. Anyway, here it is.

I would like to extend a big thank you for all your support in welcoming Dr. Chung Sik Yong in our community. Thank you to all those who helped in preparing the church and Windermere as well as their hotel rooms. And those who prepared the food and the flowers, the technical assistance for the program itself. And thank you everyone for being there. Thank you to Ocean Peace for receiving the whole delegation.

I know that at this point a number of people in our community are sick. It was truly unfortunate that our community have to go through this trial. But I really want to encourage everyone to focus on loving and caring for those who are sick and praying for them to heal and recover quickly. As I mentioned in my other letter that at this kind of situation it is always tempting to find whose at fault and who to blame. That is natural for fallen people that we were but as restored and blessed children of our Heavenly Parent and our True Parents, let us show Satan that we don't belong to Him. Let us rise above that temptation and overcome that fallen nature. Again let us focus on loving, caring and be a channel for healing energy to flow to those who are sick and are affected by the situation. There is a list that I send out and I am continuously updating it so we can offer prayer for everyone. Check it in your email.

A number of announcements:

First I would like to announce that for this Sunday, November 14, 2021 and the following Sunday, November 21, 2021 we are having our Sunday Service virtually, same time 11:00 am. We will use our regular Sunday Service link which is us04web.zoom.us/j/251525455. Password: 2020 Meeting ID (if required): 251 525 455 and we will also have it available on Facebook Live.

On November 20, 2021, we will have our ACLC prayer brunch. I know that some of you feel like we should cancel it for another time but I think we should push it through. Invite who you can invite and join in if you can. I believe it is one of the best condition we can offer for our community and as a community specially at this difficult time. As Dr. Yong said, it is when we are most in need that we should think of giving to others. So let us keep this ACLC prayer brunch as scheduled and pray for others and the world. It will be on November 20, 2021 from 10 to 11 am. Our topic is "Grateful for Marriage and Family".

December 4, 2021, our True Mother is scheduled to be here in America and we are encouraged to have watch party. Please think of how you can do it and be as creative as you can. I will be sending more information on this as I get them.

December 5, 2021 - Our Young Adult Ministry is organizing a Christmas Party for our community. It will be at Ballard Church after the Sunday Service. Please include it in your calendar. Watch out for more details in your inbox. We will be imposing a more strict COVID 19 Safety protocol.

December 31, 2021 is the last day for the extension for CheonBo registration. Please try your best to register by that day.

At the moment we are putting on hold the work party and repair for Ballard Church until further notice.

Thank you very much again for all your support and love. Let us continue in working together as a community and offer the best that we can offer to heaven.

God bless us all!

Sincerely with love,
Rosie Dijan Muyongo
