Dear Seattle Heavenly Parent's Holy Community, Blessed Central Family, Brothers and Sisters,

Happy Palm Sunday this coming Sunday! Snow is in the forecast for this weekend despite the fact that the past days was very sunny. I hope you had the chance to enjoy it. It is amazing how weather changes so suddenly.

I would like to thank all of you that joined us in the Seonghwa and Wonjeon Ceremony of Ted Casten. It was truly beautiful! Rachel Kreier, Ted's niece told me that it truly amazes her to meet people who had spent time with her uncle Ted. Although she felt sorry that she tested positive of COVID 19 the next day after the ceremony. It is my hope that no one get the virus among us who attended.

This Sunday, April 10, 2022, I would like to invite you to a community meeting after the Sunday Service around 1:00 PM. I would like us to cover the following agenda:

1. Review of the meeting result in February
2. New Life Challenge Campaign
3. Seattle Properties Survey

Please be reminded that next week is Holy Week, so Sunday is Easter Sunday. Also, April 16 is Heavenly Parent's Day, True Parent's Day and True Parents Wedding Anniversary. Let us prepare our hearts to celebrate these very important Holy Days in our church.

I would like to announce that there are two camps that our children can attend this summer - Camp Tongil and Camp Journey. Watch out for the announcement at church about them.

Lastly, this coming 3rd Saturday of May, we are planning to have Lecture Contest here in Seattle. If anyone is interested please contact me or Miyuki Granstrom about it.

Thank you very much. Let us pray for one another that we may all receive God's healing in every aspect of our lives that needs healing.

God bless!

Sincerely,

Rosie Dijan Muyongo - Pastor
