Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

A very wonderful Saturday to all of you. It is the 2nd Saturday of September. Many of our students already returned back to school as the new school year begins.

We hope to also begin anew our different ministries - Youth Ministry and CARP will have their kick off soon. And Young Adult Ministry should also follow. I am grateful to those of our young members who are stepping up to help get each of those ministries active and running.

Yesterday, September 9 was the last day of our 3rd 40 days New Life Campaign Witnessing Condition. I would say that it was a victorious forty days. It was a little bit more challenging as there were less people on college campuses during the summer. But we have members who persevere and continue with their witnessing activities and Divine Principle study. Tomorrow, Sunday, September 11, 2022, we will start our 4th 40 days of New Life Campaign Witnessing Condition. I hope that more members will join in both our In-reach and Out-reach.

Also, I would like to announce that our Japanese Kodan will hold a Garage sale in front of the church from 10 am to 2 pm tomorrow, Sunday, September 11, 2022. Proceeds will be donated to support Global Mission. Let us support them in their efforts.

And to all our brothers and sisters who continue to help and support in their own way so that our ministries and providential organizations can continue with its works in supporting the vision of our True Mother, please know that you are all appreciated. May our Heavenly Parent and True Parents continue to bless you!

Lastly, May healing and comfort from heaven be granted upon those who are sick and those who are going through difficult times.

Happy weekend and I hope to see you at church.

With love,

Rosie Dijan Muyongo - Pastor
