Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

I am excited to be back in our community after Charles and I traveled to Cheon Shim Won Las Vegas last July 15th to 17th. We were invited to the 3-Day Leaders workshop initiated by our national HQ under the direction of our True Mother. Included in our workshop schedule was attendance to Cheon Shim Won Las Vegas Morning Devotion and Night Vigils, then two chanyang/ansu sessions during the day. Dr. Ki Hoon Kim, president of Cheon Shim Won - USA and Senior Pastor of Las Vegas Family Church welcomed us on the first day before the 1st lecture presentation of Dr. Thomas Selover and Dr. Grace Selover. That day, True Mother was still at IPEC but was already preparing to leave that evening.

On our 2nd day, Rev. Demian Dunkley greeted us in person and gave a short speech, then we watched the presentation he gave to the 3-day workshop participants that came before our group. Dr. Selover facilitated the Q&A portion of the program. Then the rest of the 3 days, we heard presentations from Dr. Thomas and Grace Selover.

The overall message that True Mother wanted to convey to us is that we are in a specially crucial time. It is important that we understand, recognize and acknowledge that True Mother is the central figure of this era that we are living in and connect and align ourselves in heart, in our thoughts, words and actions with her. Cheon Shim Won Prayer rooms, chanyang and ansu, liberation and blessing of spirits are gifts given to us by True Mother that we should utilize and take advantage of. They should be able to help us gain more spiritual clarity and receive full support from the heavenly spiritual world.

I will be sharing more in the coming days. Let us continue to pray and support one another.

Please join us this Sunday for our Youth and Young Adults Sunday Service. Korie Faris will be giving the message on "How to be in the world, not of the world".

Heavenly Parent, True Parents and Jesus love and blessings be with you all!

Sincerely,

Rosie Dijan Muyongo
