Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

I hope you had a wonderful Thanksgiving Celebration.

Since Monday, November 25th, we have been attending the Night Vigil Prayer from Cheon Shim Won Las Vegas. I saw a number of people from our community who were also there. Last night, Dr. Ki Hoon Kim acknowledged our presence together with San Francisco Cheon Shim Won and Tennessee Cheon Shim Won. If you haven't join in yet, I hope you will consider joining even just for the first hour or you can join just one night a week. And if you can join in person at the local Cheon Shim Won please do so.

We have about 134 days until April 13th, 2025. Our True Mother is asking us to unite with her and help in mobilizing the Heavenly spiritual world centering on the Cheon Shim Won where our True Father is working together with Hyo Jin Nim, Heung Jin Nim and Dae Mo Nim. Let us response to our True Mother's calling and do our best to participate.

We have three campaigns going on nationwide - Membership, Blessing and Cheon Won Gung fundraising. Seattle Family Church is trying its best to be a part in fulfilling the goals for each of the campaign. Our support is very much needed at this time.

I would like to express my gratitude to those who have actively been involved with our local efforts to help our True Mother.

This Sunday, December 1st, from 1:30 - 2:30 PM, I would like to invite you for an in person meeting at our church to share about what we have accomplished and plan on what more we can do in the remaining days that we have until the Victorious Entrance to the Cheon Il Sanctum in the Cheon Won Gung in April 13th 2025.

Let us keep praying and offer the best results we can bring. Heavenly Parent and True Parents love and blessings be with you.

Sincerely,

Rosie Dijan Muyongo
