

Seattle HPHC: Welcoming 2025 - Pray And Reflect On Our Victories And Failings

December 28, 2024

Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

We are just three days away from closing the year 2024 and welcoming the new year of 2025. I pray that we all can spend some time reflecting on our victories as well as our failures and shortcomings. May we can all renew our commitment and determination to bring about the best in ourselves as individuals, as families and as a community in the coming year.

Let us offer more devotions centering on our Cheon Shim Won and take action to support our True Mother in realizing the Victorious Entrance to the Cheon Il Sanctum in the Cheon Won Gung and the Unification of North and South Korea in 2025.

Heavenly blessings!

Sincerely,

Rosie Dijan Muyongo
