Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

Happy New Year 2025!

Yes we began the new year 2025 and our True Mother has given us the motto for this year and going forward.

**"In the 13th year of Cheon Il Guk, when we attend our Creator Heavenly Parent substantially, let us the blessed families around the world, become true sons and daughters of Cheon Il Guk who fulfill our responsibility as the chosen people in unity with our True Parents."**

Let us keep in mind this motto as we continue in living out our lives following and attending our True Mother in this golden age that we are in.

Heavenly blessings everyone.

Sincerely,

Rosie Dijan Muyongo
