Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

It is less than a month now before the Entrance Ceremony to Cheon Il Sanctum in the Cheon Won Gung. We do have our campaign intensified. We have the 4 week new membership challenge, Blessing All Hands on Deck campaign and the Cheon Won Gung Donation campaign.

Let us offer greater devotion and involve ourselves more while making efforts to keep our hearts, mind, body and soul pure as we received the Special Grace from our True Parents.

May the love and blessings of our Heavenly Parent be with you all. Let us keep praying for those who are sick and going through difficult times.

Sincerely,

Rosie
