Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

Hello everyone!

I would like to wish all of you Heavenly Blessings!

In the next two weeks I will be gone. My eldest sister who helped take care of our family after my Dad passed away when I was eight years old died yesterday, 4/24/2026. Charles and my children gave me permission to go home to Philippines to attend my sister's Seonghwa Ceremony. I will return to Seattle on May 9th.

In my absence, Minister Ray McCready and Pastor Nelson Mira will be working together to take care of church programs including the Sunday Services. Other ministry matters will be managed by each Ministry Leader as usual.

I will be available through email for communication while I am outside the country.

The Special Grace Holy Wine Ceremony will be available after I return on the 9th of May.

Thank you very much and God bless!

Sincerely,

Rosie Dijan Muyongo
